## **2017 Main Street Crosswalk Project**

### **PROJECT STARTUP NOTICE**

#### **Project:**

A design was completed by Keller and Kirkpatrick to install a mid-block crosswalk at the lower parking lot of Townhall at 65 Main Street. The project consists of removal of existing curbing, sidewalk and pavers and replacing these items with new curbing, curb ramps for the crosswalk approach, resetting of pavers and crosswalk striping.

Estimated Cost: \$32,782

#### **Project Startup**

Sparta along with its contractor Tony's Concrete of Newark will be commencing the above referenced project on Monday, December 4, 2017 at 7:00 am. There will be alternating lane closures while the work is progressing and the lower parking lot to Townhall will remain accessible to all visitors to Townhall. The project is expected to last 5 working days weather permitted.

#### **Project Location Pictures:**

The following are photographs of the work area:
