INTRODUCING THE SPARTA TOWNSHIP MUNICIPAL WASTE UTILITY

On March 11, 2008, the citizens of Sparta ratified the referendum authorizing Ordinance 07-28 providing each household with municipal garbage pickup twice weekly, bulk pickup once weekly, and scrap metal pickup once a month.

How much will the new utility cost and how will it be billed?

The cost of the service will be \$240 annually for single-family residences. There are no hidden charges, such as fuel surcharges. State mandated disposal fees may be added as required by law. Qualifying Senior citizens may apply for a discount of \$25. Costs of the waste utility will be billed quarterly beginning April 1, 2008. Residents will have a 30-day period to pay each bill, after 30 days interest will accrue.

Who will provide the hauling service?

Blue Diamond Disposal, a waste collection firm based in Mount Arlington, NJ. Sparta Township awarded a contract to Blue Diamond on Dec. 1, 2008. The contract was held unsigned until after the referendum vote. A three (3) year contract for services will begin April 1, 2008.

Should I notify my current waste collector?

Although the Township will be notifying Waste Management, it is suggested that each residence send a certified letter notifying the same along with the final bill payment through March 31, 2008.

When will service begin?

Municipal garbage pickup will begin April 1, 2008.

How and when will my garbage be picked up?

Household garbage

- Pickup is 2X a week, either Monday/Thursday or Tuesday/Friday, depending on your zone (see attached sheet).
- For each pickup, residents are allowed a maximum of three 32-gallon cans of garbage. Each container should not exceed 50 lbs.
- Cans should be put out the night before no earlier than 5 pm. Curbside collection begins at 7 am each collection day.
- Place garbage at curb in a covered container to avoid animal intrusion.
- State law provides that haulers shall not collect garbage that includes recyclables. Stickers will be affixed to your cans if they include recyclables, and the cans will not be hauled away.
- Blue Diamond observes the following holidays: Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas and New Years. Pickup will be the next scheduled collection day.
- Snow/Inclement Weather: If your garbage does not get picked up due to inclement weather, collection will be the next scheduled pickup day.

Bulk waste

- Up to three bulky items may be placed out for collection on the second pickup every week. Construction materials are not permitted bulk waste items.

Monthly metal pickup

- Scrap metal collection is the last Wednesday of the month.
- Examples of items are stoves, metal fences, pots, coat hangers and toasters. Refrigerators, freezers, and air conditioners must be certified Freon-free before placement at the curb.
- Contact Blue Diamond to inform them you have a scrap metal pickup

Phone: (973) 598-9800

What about recycling?

The recycling schedules and procedures are unchanged. Pickup will continue to be handled by Waste Management, Inc.

Questions:

For missed pick-ups or service questions call 973-598-9800

For billing questions call 973-729-4903
